School Spirit Song

Text and Song by Ken Dahlin

Name of school mascot can be substituted for the word students.

Melody of Dedication

Students are we!
Striving to do our best!
In work and play,
Waste note the time of day.
We will have fun,
When all our work is done.
Students are we,
Doing our best you see.

Chant of Pride

We are the students,
Mighty students are we!
We are the students,
Mighty students are we!
